WHO ARE WE!!

Firstly, Hello to you all. We hope you are bearing up!!
We are a group of volunteers who live in the Parish of Good Easter, It all started because we were concerned about those isolating and vulnerable and we wanted to do all we can for them, So we began distributing call cards offering our help, but we wanted to do more!! Good Easter has a wonderful community spirit and we wanted that to continue by producing a regular newsletter that you can all get involved in and keep that community feeling alive, Each edition we shall be posting your stories, drawings, recipes. games. you name it, we want this to be YOUR newsletter..
We will try to post updates on local services, supermarket hours. as well as assist you as much as possible. You only have to ask!
We are aware that you have to be careful with scams, and have therefore added some of our volunteer info to this newsletter, and want to reassure you that we are here for you, and will continue to be throughout this ordeal. At no point will we ever ask or attempt to enter your house. If you ever have concerns please contact Marie Stephenson, our volunteer co-ordinator and parish councillor 230544 / 07444 210522
Please feel free to pass them to your family members incase they need to contact us with any concerns.

**Have you a story to share, Photos or Pictures drawn by the children!!
etc.. Please send them to us..**

How are you amusing yourself at home!!

Welcome to our fortnightly newsletter. We look forward to seeing those Easter drawings!!..Details overleaf

St Andrews Church

In support of the governments message to stay at home, the

Chelmsford Diocese instructed all its churches to close their buildings to visitors. As a result St Andrews is now closed until further notice, the churchyard remains open to visitors, however if you are in the churchyard please follow all the governments advice about distancing and washing . please join us online. www.thesixparishes.org.uk
